

Shaw Commercial Installation Certification

May 19, 2009

7:30am-5:00 pm

We are proud to announce **Shaw Commercial's Installation Certification Program**. This program will deliver quality education and certification for your installers. Shaw's experts, with over 300 years combined experience, will deliver the hands on interactive sessions focused on installation methods, adhesives, seam sealers, installation equipment, Shaw backings, floor prep, seaming methods and many other topics. This certification program will secure a competitive advantage in your market by providing you with Shaw Certified Installers. Shaw will provide certified instructors, training materials and lunch during the sessions. This class is at no cost to the installers or the dealer. The class will fill up quick so please sign up today. We will need the names of the installers attending for their certificate.

Due to the number of participants we ask that you bring basic tools such as a carpet knife, cushion back cutter, carpet tractor, knee kicker, etc.
